

President's Message

I hope that summer has finally arrived! The weather seems to be getting a bit warmer and some of our sunsets have been stunning. The old adage that "the bluest skies you have ever seen are in Seattle" rings true as July greets us in the Emerald City.

Have you stopped by our Farmer's Market lately? Please do and make sure that you patronize our Local Merchants that are offering "Market Bucks." Use the "Market Bucks" like cash at the Farmers Market when you purchase some of the delicious fresh farm products and other great items from our local vendors. This

Chamber-supported promotion is a great way to shop local and support your Lake City merchants.

Don't forget to mark **August 6th and 7th** and join us for our annual Pioneer Days celebration. Enjoy the salmon BBQ at the Lake City Community Center, and then the street fair and grand parade on Saturday. There will be live entertainment to enjoy in the Lake City Mini-Park and the vintage car show behind the Lake City Professional Center. There is something for everyone to do at Pioneer Days.

Have a safe and successful summer. Your Chamber of Commerce looks forward to continuing its work to make Lake City the best community business district in Seattle.

Peter Lukevich
President
